The George Washington University Knowledge in Action Career Internship Fund encourages GW students to pursue high-quality, necessarily unpaid internships that foster their career exploration and enhance their academic program, while reducing the financial challenges associated with unpaid internships.

Initiated by the GW Career Services Advisory Council, and funded through the generous support of alumni and parents, this program provides grants ranging from $1,000 to $3,000 to GW undergraduate and graduate students pursuing internships that are necessarily unpaid.

For more information on the GW Knowledge in Action Career Internship Fund, including eligibility requirements and the application process, please go to:
